For those who were a part of United Wesleyan College, whether as a Student, Faculty, or Staff, it was a place that will be held in our memories for a life time. Not because of the buildings or grounds (that are now much different than we remember), but because of the lasting friendships formed there, and ministries shaped there.

Music was always a big part of United Wesleyan College, and we would like to celebrate that. So come...join us!

Anyone and everyone is invited to enjoy the Music Ministries of United Wesleyan College by joining us for a Time of worship, remembrance, and celebration.
